JOLLY LETTERS

This letter-workshop will show the kids in a playful way, how to create a letter from a picture or the other way round — a "pic" from a letter. So as each and every word hides numerous pictures, where the picture of a letter can be expressive and meaningful as well. Maybe it hides a story, or plenty of colours and maybe there comes a "D" ... as "Dinosaur" ... sliding down right to the paper

Guidance – I. Kleinová

(For kids from the age of 6)

FLYING LITTLE BETTY

The tale of flying Betty is not just witty, but contains also a profound message — accompanied by live music. This cute story is about little Betty, who is looking for wings for all her life, but those will not grow that easily. Based on the book "The tale the flying Betty" by Daniel Pastirčák, this performance has been rehearsed by students of the Puppet-Department of the Academy of Performing Arts (VŠMU).

Script, production, stage-design and performing – A. Kamenská and Š. P. Králik; music – M. Klas

(For kids from the age of 4)

ROCKING WITCHES, ROCKING ON THE BROOM

This workshop will put to the test skilful hands, as well as smart tongues. Here you will cut, draw, paint and even assemble. With the incoming autumn, comes also the magical and colourful period of witches, ghosts and sorcery. Your guide in this workshop will be the illustrator-lady Hedviga M. Gutierrez, who also illustrated the book by Jozef Moravčík Jakubovec with "Rocking witches", issued by the publisher Albatros Media. The result will be an original illustration coming to life right under your hand, waving or even dancing on the table.

Guidance – H. Gutierrez
